February 19 – 22	New England 12 & Underr Age Group Championships TBA
-March 5 - 8	New England 13 & Over Age Group Championships MIT

Further information about meets available on team website, www.Belmontaquatics.org

Important Meet Entry Information

The BAT coaches and Board would like to take this opportunity to review the process that BAT goes through when signing up for meets for both the Short Course and Long Course seasons. The meet schedule can be a fairly challenging process, and it is important to outline the meet entry process with you to give you a better understanding of how things work.

1. Prior to the beginning of the swimming season, Ev reviews the list of potential meets available through US Swim - and together with the coaches selects meets he feels are appropriate for our swimmers. He tries to select a variety of meets taking into consideration the meet dates, events and locations.
2. A Meet Schedule signup sheet is created and distributed to the team including a deadline for returning your selections so that Ev can submit to the teams in time for their meet entry dates.
3. All US swim teams in NE, that are hosting meets, have a date on which they accept entries. Entries received before that date will be considered received on that date. If, on that date, the meet is oversolicited, they hold a lottery and pull team names out until the meet is full. We are not guaranteed a space in the meet until after all the entries have been received and the team has determined that the meet is full. Ev is then notified that we are accepted/denied access to the meet.
4. We understand that it is difficult to commit to a schedule of meets upfront - so we will make every effort to email meet entry deadlines in advance to give swimmers an opportunity to sign up for and/or pull out from a meet up until the meet entry deadline date. You should respond directly to Ev with your participation information - he can then submit all BAT entries to the team by the deadline date.
5. New Swimmers –If you have questions about whether or not your swimmer is ready for the first few meets, please speak directly with Ev and the coaches.
6. “Specialty meets” are for all swimmers and all age groups.
